If the committee fails to approve or reject any plan or matter requiring approval within 30 days after plans or specifications have been submitted to it, or in the event that no suit to enjoin construction has been commenced prior to the completion thereof, approval shall be conclusively presumed and the related covenants shall be deemed to have been fully complied with.

18. **RIGHT OF INSPECTION.** During any construction or alteration required to be approved by the Architectural Committee, any member of the Architectural Committee or any agent of such committee shall have the right to enter upon and inspect, during reasonable hours, any building site embraced within said subdivision, and the improvements thereon, for the purpose of ascertaining whether or not the provisions herein set forth have been and are being fully complied with and shall not be deemed guilty of trespass by reason thereof.

19. **WAIVER AND LIABILITY.** The approval by the Architectural Committee of any plans and specifications, plot plan, grading, planning or any other plan or matter requiring approval as herein provided shall not be deemed to be a waiver by the said committee of its right to withhold approval as to similar or other features or elements embodied therein when subsequently submitted for approval in connection with the same building site or any other building site. Neither said committee nor any member thereof nor any homeowners association or the present owner of said real estate shall be in any way responsible or liable for any loss or damage, for any error or defect, which may or may not be shown on any plans and specifications, or any plot or grading plan, or planting or other plan, or any building or structural work done in accordance with any other matter, whether or not the same has been approved by the said committee or any members thereof, or any homeowners association, or the present owner of said real estate.

20. **CONSTRUCTIVE EVIDENCE OF ACTION BY ARCHITECTURAL COMMITTEE.** Any title company or person certifying, guaranteeing or insuring title of the building site, lot or parcel in such subdivision, or any lien thereon or interest therein, shall be fully justified in relying upon the contents of the certificate signed by any member of the Architectural Committee, or any agent thereof appointed in accordance with the provisions of paragraph 15, and said certificate shall fully protect any purchaser or encumbrance in good faith in acting thereon.

21. **HOMEOWNERS ASSOCIATION.** All lot owners shall be members of the Ironwood West Homeowners Association and shall be bound by any articles of incorporation, by-laws and reasonable rules and regulations of said association. Each owner or member shall be subject to assessment for annual dues. The obligation of assessments is imposed against each owner and becomes a

lien upon said owner's land in Ironwood West V Subdivision against which such assessments are made. Defaulting members shall be liable to the association for all costs and expenses including attorney's fees incurred by the association in collecting unpaid assessments. The association shall have the following powers:

- A. Authority to enforce these covenants;
- B. Authority to levy dues assessments.

If additional subdivisions are platted by Developer, or its assigns, in the East Half of the Southwest Quarter and the entire Southeast Quarter of Section 20, Township 19 North, Range 8 East of the Third Principal meridian in Champaign County, Illinois, with the word "Ironwood West" in the name of the subdivision, the developers of said subdivision may make lot owners in said subdivisions members of the Ironwood West Homeowners Association.

A primary purpose of said Association will be to provide for the ownership, development and maintenance and upkeep of the common areas and storm water detention basins of Ironwood West Subdivisions, as well as any under drains and appurtenances constructed within such subdivisions. Upon completion of the detention basin improvements, the Developer shall convey lots containing detention basins to the Homeowners Association, and the Association shall accept such conveyance and assume all maintenance responsibility for the basins. Such conveyance shall be subject to any easement held by the Fountainhead Drainage District.

The costs of maintaining detention basins within Ironwood West Subdivisions shall be shared equally by each subdivision based upon the ratio of the square footage of such subdivision divided by the total square footage of all subdivisions utilizing the basins. Each lot owner shall be subject to and share equally in the payment of an annual assessment for annual dues to the Association in such amounts and at such times as determined by the Board of Directors.

The common areas developed in the Ironwood West Subdivisions shall be subject to the rules and regulations established by the Ironwood West Homeowners Association, and the use of common areas and common facilities which may be provided by the Developer from time to time shall be subject to the rules and regulations established by said Homeowners' Association.

The Homeowners' Association shall have the power to make agreements with park districts, not-for-profit corporations, or any other municipal government for the maintenance of any common areas and shall have the power to convey any said common areas to said municipal government or park district subject to a vote of the majority of the Homeowners' Association, provided said property is within the jurisdictional boundaries of such municipal government or park district.

The Homeowners' Association shall establish a publicly listed telephone number and post office box in the municipality to which the subdivisions are annexed, both to be maintained and monitored by the President of the Association at the Association's expense, until such time as the purpose of the Homeowners' Association shall no longer exist.

22. **STORM WATER DETENTION BASIN AND COPPER SLOUGH CHANNEL MODIFICATIONS.** The City of Champaign requires that the Developer of the Ironwood West Subdivision, and ultimately, the Homeowners Association shall be responsible for maintenance and inspection of all drainage improvements, which includes periodic inspection of all storm water detention basins located in Ironwood West Subdivisions. The maintenance and inspection of the improvements includes periodic inspection of the basin and the copper slough channel for soil erosion, structural

integrity of the inlet and outlet control structures, siltation and blockage of storm structures, mowing the side slopes and open areas of the basin and channel, and, if necessary, periodic dredging of the ponds and the bottom of the basin. The Developer shall be responsible for maintenance, inspection and expenses associated with the foregoing responsibilities until such time as the Ironwood West Homeowners Association is established, and the Common Areas are conveyed to the Homeowners Association, at which time the Homeowners Association shall assume all responsibility and expense required pursuant to this Paragraph 22. The City of Champaign will perform the inspection and maintenance only in the event the Developer or Ironwood West Homeowners Association fails to do so. In such event, the City of Champaign shall assess all inspection and maintenance costs to the Homeowners Association, and the Homeowners Association shall promptly reimburse the City of Champaign for said costs. All maintenance and inspection shall be conducted as required in the restrictive covenants recorded with the plats of Ironwood West Subdivisions I-IV.

23. **ANNEXATION AGREEMENT.** All lot owners are required to annex their property to the City of Champaign as provided in an annexation agreement entered into between the Developer and the City of Champaign, Illinois. Accordingly, the Developer and each subsequent lot owner agree to cause each purchaser of a lot to execute a Petition for Annexation to the City of Champaign upon the first sale and each subsequent sale of any lot in Ironwood West V Subdivision, until such time as the property has been properly annexed to the City of Champaign. The petition shall be delivered to the City of Champaign within a reasonable time after closing of the sale of such lot.

24. **SATELLITE DISHES AND ANTENNAS.** No satellite dishes, antennas, transmitting or broadcasting equipment, appurtenances thereto or similar equipment shall be placed, stored, kept or used upon any lot at any time either temporarily or permanently, without the approval of the Architectural Committee.

25. **AUTHORITY TO RELEASE RIGHTS.** The owners of the legal title of record of 60% of the lots in this subdivision shall have the authority from time to time to release or amend all or any part of the restrictions, conditions, covenants or reservations herein set forth, which said release or amendment shall be effective from the date that a written document setting it forth and signed by said owners shall be recorded in the Recorder's office of Champaign County, Illinois. This authority to release rights shall not be applicable to annexation requirements imposed under the Annexation Agreement nor to the dedication of streets and easements.

26. **ASSESSMENT LIENS.** Any dues, annual assessments or special assessments levied by the Ironwood West Homeowners Association shall be a charge on the lot against which it is levied or assessed and shall be a continuing lien against such lot for the amount of the dues or such assessment that is at any time unpaid. All costs of collection thereon, including attorneys, fees and court costs, in addition to being a lien on each such lot so assessed, shall also be the personal obligation of the person or persons who were the owners of such property at the time such assessment or dues were levied.

27. **BINDING EFFECT OF THESE COVENANTS.** These covenants constitute covenants running with the land and shall be binding upon all persons who hold title to lots or condominium dwellings in the subdivision and upon all contract purchasers of such lots or condominium dwellings and upon their heirs, executors, administrators and assigns.

28. **SEVERABILITY OF THESE COVENANTS.** The invalidation of any one of these covenants by a judgment of the court or by court order or injunction shall in no way affect any of the other provisions hereof and the remaining covenants shall continue in full force and effect.

29. **CONSTRUCTION OF SIDEWALKS.** Each lot owner shall be responsible for the construction of a sidewalk on his or her respective lot in accordance with the approved constructions plans for Ironwood West V Subdivision, and to such end, each lot owner shall use Carver Concrete Company or another company suitable to Developer, in Developer's sole discretion, to construct the sidewalk. Further, each lot owner shall be solely responsible for prompt payment of sidewalk construction costs, and each lot owner shall cause the sidewalk to be constructed immediately upon completion of a residence on the subject lot.
